IWC 7 IW500505
2019-05-28

IWC 7 IW500505 Big Ingenieur 7Days Ref.IW500505 120m 45.5mm 3 IWC 7

Product Description

The IWC Big Ingenieur 7 Days is a luxury timepiece. It features a stainless steel case with a diameter of 45.5mm and a water resistance of 120m. The watch has a white dial with Roman numerals and a date window at 3 o'clock. It is powered by an automatic movement with a 7-day power reserve. The IWC logo is visible on the dial and the case back. The watch is available in various configurations, including different strap materials and colors. For more information, please visit the IWC website at [www.zenith.com](#).
